

Call for Participation

We invite you to join us in **17th International Conference on Wireless & Mobile Networks (WiMoNe 2025)**.

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Wireless & Mobile computing Environment. Current information age is witnessing a dramatic use of digital and electronic devices in the workplace and beyond. Wireless, Mobile Networks & its applications had received a significant and sustained research interest in terms of designing and deploying large scale and high performance computational applications in real life. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of WiMoNe 2025 includes:

- 12th International Conference on Computer Science, Engineering and Information Technology (CSEIT 2025)
- 17th International Conference on Networks & Communications (NeTCoM 2025)
- 17th International Conference on Network and Communications Security (NCS 2025)
- 12th International Conference on Signal, Image Processing and Multimedia (SPM 2025)
- 7th International Conference on Internet of Things (CIoT 2025)
- 17th International Conference on Applications of Graph Theory in Wireless Ad hoc Networks and Sensor Networks (GRAPH-HOC 2025)
- 6th International Conference on Advances in Artificial Intelligence Techniques (ArIT 2025)
- 7th International Conference on Machine Learning & Applications (CMLA 2025)
- 6th International Conference on NLP & Big Data (NLPD 2025)
- 6th International Conference on Data Mining and Software Engineering (DMSE 2025)

Registration Participants
